JULY 2014

BUILDING UPDATE: CONSTRUCTION OF THE PARKING GARAGE HAS BEGUN!

We are pleased to announce that construction on the new Cathedral has resumed. It was on for a few weeks due to finding small encroachments by the building next door. While the final technicalities of an agreement are being worked out with that building's Homeowner's Association, the construction team has found a way forward that allows work to resume in the meantime. The waterproofing subcontractor has almost finished installing the waterproofing for the new parking garage, parts of which will be below the water table during wet weather. Once the waterproofing is finished, a thin protection slab will be poured over the whole floor of the excavation, to be followed by rebar installation for the foundation slab. **Isidoros Garafalakis** of Vancouver, Washington, is supplying the rebar for the entire project at a greatly reduced cost through his steel fabrication company, Omega Industries. The foundation slab should be poured in late July, to be followed by constructing the walls of the parking garage.

To date, roughly \$10.5 has been raised for the building project thus far. Including monies spent on pre-construction, roughly \$2 million is still needed to complete the exterior and interior construction. The Construction Committee is continuing its fundraising efforts so that the Cathedral can be completed in 2015.

MATCHING GIFTS FOR THE BUILDING PROJECT

A few months ago, one of our dedicated parishioners informed us that the company she works for offered to match any contributions made by any of their employees to non-profit organizations. The individual had already pledged \$25,000. over five years to the building project, and had already submitted one payment in the amount of \$5,000. this year. Her company matched this amount, and we were recently, we were notified that they would do so again this year.

This means that, potentially, this individual's pledge will go from \$25,000 to \$50,000!

If you have already pledged to the Capital Campaign and submitted a payment this year, or are planning to do so in the future, please inquire if your employer has a similar policy of matching gifts to non-profits. Please join us as we embark on this historic time in the history of our community. Every bit helps!

WHAT DOES MY GIFT TO THE BUILDING FUND REALLY AMOUNT TO OVER A FIVE YEAR PERIOD?

Below are some different ways to look at how you can make a meaningful gift.

| AMOUNT | PER YEAR OVER 5 YEARS | PER MONTH OVER 5 YEARS | PER DAY OVER 5 YEARS | 2 PERSON FAMILY- PER DAY (EACH) | 3 PERSON FAMILY- PER DAY (EACH) | 4 PERSON FAMILY- PER DAY (EACH) |

The building of the new Cathedral is a once-in-a-lifetime opportunity which has presented itself to us as a Community and can be accomplished very easily if we all are willing to do our part to give as much as we can for this short period of time.

We must ask ourselves the question - How much do we spend on other things each month that are important to us? Can we add a

donation to the Cathedral Building Fund as well? Many people have set up a monthly auto debit plan on their credit cards so that gift can be made automatically and spread out over time in order to fit into their budgets.

Your thoughtful consideration is appreciated by us today and your children and grandchildren tomorrow!!

and My eyes and My heart will be there all days."*

Ecumenical Patriarch Bartholomew Joins Pope Francis at a Vatican Invocation for Peace

FROM THE PRESS RELEASE OF THE ARCHDIOCESE:

"NEW YORK - With a renewed commitment to Christian unity and an enduring desire to include people of all faiths in dialogue, His All-Holiness Ecumenical Patriarch Bartholomew, spiritual leader of over 300 million Orthodox Christians worldwide, and his brother Pope Francis joined hands at the Vatican during an Invocation for Peace. Together with the Pope and the Ecumenical Patriarch, the Israeli President Shimon Peres and Palestinian President Mahmoud Abbas participated in the interfaith service of Jews, Christians and Muslims.

The leaders read passages from the scriptures and offered prayers of thanksgiving for God's creation and asked for God's forgiveness and peace in the Middle East. Reading from the Book of Isaiah, His All-Holiness reminded the people of the region that God had not abandoned them, and that He would answer before they call, and hear while they yet speak (65: 24).

The Ecumenical Patriarch also called upon God's blessings upon the Jewish, Christian and Muslim children of the Holy Land and prayed that their shared thanksgiving for all of God's blessings may remind them that they are brothers and sisters.

Following the prayer service, Pope Francis and Ecumenical Patriarch Bartholomew shook hands with Presidents Peres and Abbas. As a clear sign of their desire for mutual reconciliation and an equitable and sustainable solution to the conflict in the Middle East, the four leaders planted an olive tree in the Vatican gardens.

His All-Holiness Bartholomew is the Archbishop of Constantinople-New Rome and the Ecumenical Patriarch. He is the 269th successor to the First-Called Apostle Andrew, the founder of the 2,000-year old Christian Church of Constantinople. The Ecumenical Patriarch is a living witness to the world of Orthodoxy's painful and redemptive struggle for religious freedom and to the innate dignity of humankind. As a citizen of Turkey, His All-Holiness' personal experience provides him a unique perspective on

the continuing dialogue among the Christian, Islamic and Jewish worlds. He is known throughout the world as the "Green Patriarch" for his groundbreaking environmental initiatives and ecological theology. For his inspiring efforts on behalf of religious freedom and human rights, Ecumenical Patriarch Bartholomew was heralded as a Bridge Builder and Peacemaker and awarded the Congressional Gold Medal by the U.S. Congress in 1997.

Annunciation Sunday School Building Project

If you've been attending service over the past couple of months it's hard to miss the building enthusiasm shared by the youth of our church. This enthusiasm is more formally known as the Annunciation Sunday School Building Project.

During the school year there will be a variety of projects presented in church that allow the youth to interpret what building a new church means to them. Presentations are grouped in several ways including age, activity, or child's interest.

The aim of the Sunday School project is to allow the youth to take part in the historic building process of the Annunciation Cathedral. Just as many of you hold memories of the devastating 1989 earthquake, we want our youth to hold memories of building the new cathedral.

All pictures will be displayed on our building project shutterfly share site: https://annunciationsf.shutterfly.com/#:emid=site_calendarreminder&cid=SHARE3SXXXX. All members of the share site can view, copy, post, and order pictures of the projects. If you wish to be added to the share site, email **Anastacia Ambus** at: Tashaugr@yahoo.com.

Gift Giving to the Capital Campaign

For those parishioners or friends of the Cathedral who wish to make a donation, you may consider donating funds from your stock portfolio. If you were to sell this stock on the open market most likely you will pay capital gain taxes. To avoid paying capital gain taxes, you simply donate the stock to the Annunciation Cathedral, a non-profit 501C 3 religious corporation.

The stock needs to be publicly traded on one of the exchanges (NY, NASDAQ, etc) then you simply report it on your tax return as a noncash charitable contribution. You get the appreciated value for the donation and do not pay tax on the capital gain. Then all you will need for taxes is a letter of acknowledgment from the Cathedral, with the name of the stock, date of donation and number of shares received. For additional information regarding the transfer of stock to the Cathedral, please contact **Father Stephen** at fatherstephen@annunciation.org or **Angie Leventis** at aleventis3@comcast.net.

Sunday Metered Parking Ends July 6, 2014!!

The San Francisco Municipal Transit Agency's (SFMTA) 2014 Budget includes a policy change that directly impacts congregations that worship and conduct education/ philanthropic programs on Sundays. Starting July 6, 2014, the Sunday parking meter policy that has been in effect since January 6, 2013, will be "rolled back" and no longer enforced. Exceptions to this policy are enumerated in the SFMTA's communication that follows:

"Exceptions to this change in policy are areas where meters operated on Sundays prior to the addition of Sunday operating hours in January 2013. This includes:

Port of San Francisco jurisdiction meters
Fisherman's Wharf area meters
Some (but not all) SFMTA-managed metered parking lots (retaining those that operated on Sundays prior to 2013)."

Bios of our 2014 Fathers of the Year - Ilias Frangos and Nick Kontonis

Ilias Frangos

Ilias Demetrios Frangos was born in Vasilitsi, a town in the southwest part of Messinia, Greece on April 14, 1919. Raised in a family of farmers, he had two brothers and two sisters. Despite working from a very young age, Ilias loved to learn and explore.

Ilias attended secondary school in Koroni, walking 1 1/2 hours to and from school every morning and afternoon. In his teens, Ilias worked in an olive pressing plant, a bakery, and learned to be a mechanic. He dreamt of leaving his hometown and finding greater opportunities.

In March of 1940, he enlisted in the army and was sent to Thessaloniki for training. On August 28th of that same year, Greece said OXI to Italy's Mussolini and by November, Ilias was on the front lines during World War II against the Italians. When that part of the war ended, Ilias walked 17 days from Northern Greece to get home to Vasilioti. The war continued and the communist partisans captured Ilias twice but, fortunately, he was able to escape. On September 9, 1944, Ilias married the love of his life, Hariklia Varvoutsis. They moved to Kalamata where Ilias served as a Lieutenant at the army base and later started a grocery store. A few of years later, they had a daughter, Kalliope.

On March 3, 1951, Ilias, Hariklia, and Kalliope left Greece on a 14 day journey by ship to the United States. In search of better opportunities, the family traveled across the U.S. by train to Lincoln, California where Ilias' Godfather, Louis Cheonis lived. Ilias got his first job working on the line for the Southern Pacific Railroad. The family moved again to Sacramento, where his sons Jim and Chris were born. Ilias worked for both Southern Pacific and Vickers grocery store, while also going to school part time for 6 years! He received his citizenship papers and later earned his real estate broker and notary public licenses as well as his insurance broker license. He was a Real Estate Broker for 45 years.

Ilias served on the parish council at the Annunciation Church in Sacramento for many years, helping to restore the church. The entire family was active in the church, with Hariklia serving as president of Philoptochos, as well as the Messinian Society. They also joined the AHEPA/Daughters of Penelope and were active chapter members. Ilias loved the Bay Area and in 1967 he moved to Millbrae. He built his dream home there to look out at the Bay, reminding him of home.

Over the years, the family was active at both the Annunciation Cathedral and Holy Trinity. Ilias was president of the Messinians several times and District Governor. He participated when the Messinian Society held one of the first fundraising events for the Cathedral after the Loma Prieta earthquake. He was very active in the San Mateo AHEPA chapter and served as officer in the chapter and District level.

Ilias' three children all went to college, got married, and gave Ilias and Hariklia 11 grandchildren.

In 2002, after nearly 60 years of marriage, Ilias lost his beloved wife Hariklia after several years battling cancer. Ilias remained active in the community and was able to find joy in his grandchildren and 5 great grandchildren.

Ilias attends church regularly, having memorized the church liturgy as well as hymns and prayers recited only once a year in his youth. He volunteers at our at the church's festival Greek exhibit as our Pappou explaining Greek culture and history from a first-hand perspective.

He is a remarkable man who, at 95 years old, continues to take care of himself and his home. He continues to run the self-proclaimed

"Frangos Bakery," at his home with fresh homemade bread, spanakopita, paximadia and other delicious food. He remains active, enjoying painting and composing Greek poems about his experiences.

Ilias thanks God for blessing him and his family with good health and bringing him to America. He is honored to be this year's recipient of Father of the Year and feels fortunate to be a part of the Annunciation community full of his family and friends.

Nick Kontonis

Nick Kontonis has a great love for his family, friends, travel, sports, and helping. You may recognize him as the man behind the Pangari, where he has been helping the ladies and gentlemen of the Philoptochos and Parish Council of the Annunciation Cathedral in San Francisco.

Nick Kontonis was born January 1, 1962, on the beautiful island of Zakynthos, in Greece. His parents Dimitri and Maria Kontonis brought him first to Montreal, Canada. Next, the family immigrated to San Francisco, California when Nick was twelve years old.

The Annunciation Cathedral was the place Nick attended Sunday School and Greek School. Nick also learned to play the American game of basketball at the church. At age eighteen he joined the Parish Council for the first time and coached his first basketball team. He has continued serving on the Parish Council and coaching both boy and girl basketball teams.

As an immigrant, Nick has always known the value of honest, hard work. He began working with his parents in the restaurant business until 1995. Then he changed careers and has been working at Makras Real Estate where he continues to work.

Nick met his wife Athena, also known as Tina, at the church. They were married in 1985, at the old cathedral. Nick is father to Dimitri, age 16, and Bobby, age 12. They were baptized at the Annunciation Chapel. Nick is also Godfather to Katherine Fotinos, age 24, Kameron Makras, age 12, and Athena Gullota, age 3.

The Annunciation Greek Orthodox Cathedral has been central in his life. Nick is grateful and thanks the Philoptochos and his Annunciation family.

Annunciation Cathedral Soup Kitchen Continues!

Led by Annunciation Cathedral's Young Adults, on May 20th, we continued our community outreach efforts in the Mission with our second soup kitchen. **Chef Harry Madeckas** led the menu prep and execution along with a team of young adult volunteers, for around 30 local residents. Homemade fried chicken, mashed potatoes and gravy were served, with nothing left by the end of the evening.

At the time of publication, another soup kitchen was held on June 24th.

The Annunciation Soup Kitchen Committee just finalized these upcoming soup kitchen dates: July 22, August 19, September 9, October 21. The event will be held on the third Tuesday of every month, unless otherwise noted.

If you have any questions, feel free to contact **Stefani Kalligeros** or **Christina Tsiatis** at soupkitchen@annunciation.org or visit Annunciation's Facebook page for updates and volunteer sign-up. We would not be able to successfully carry out this new community initiative without volunteers. The response from Orthodox Christian parishioners and the SF community has been incredible. Thank you for your support!

PHILOPTOCHOS NEWS

Congratulations to the 2014 Annunciation Cathedral Fathers of the Year!

On June 15, 2014, Father's Day, our Philoptochos celebrated two special Fathers with a luncheon following Church Service and proclaimed them "Fathers of the Year." We were delighted to honor these two very worthy men, **Ilias Frangos** and **Nick Kontonis**, who represented all fathers on this special day. They were presented with plaques and gifts and bios were read for each of them by **Father Niko Bekris**. It was very evident that each of them has contributed much to community, Church and especially to family. We were honored to have **His Eminence Metropolitan Gerasimos** with us for Father's Day. In his remarks His Eminence spoke to the importance of Fatherhood and the family and he noted that these two fathers were true examples of love and support to their families. I thank all the Philoptochos women who helped make the day special and a special thanks to **Angelo Koutoulas** of the Chick N Coop who prepared a delicious luncheon. It was a great day with the community giving their admiration to these two special fathers. You can sense the warmth and love in the pictures taken that day. Axios! Axios!

The summer months are now upon us and of course that means we are closer to the September 19th date of our **TASTE of GREECE FESTIVAL**. Once again our Philoptochos women will be active and ready to help. We will donate and help underwrite the pastry booth. Please join us as we prepare the delicious assortment of pastries and food items. A cooking schedule for the festival has been developed and you will find a copy at the *pangari* or the narthex. If you have any questions please call me or email me at p_aleco@sbcglobal.net

or email me at p_aleco@sbcglobal.net or aleventis3@comcast.net. Let's make this the best Festival ever. In addition you can join us at any one of the Festival meetings or let us know how you would like to participate by speaking to us at coffee hour after service.

Our members wish you a wonderful summer.

Saint John Chrysostom on The Birth of the Church on the Cross

*The following excerpt was quoted by
Marcelo P. Souza on his blog, "Luminous Darkness":*

"The gospel records that when Christ was dead, but still hung on the cross, a soldier came and pierced his side with a lance and immediately there poured out water and blood. Now the water was a symbol of baptism and the blood, of the holy Eucharist.

The soldier pierced the Lord's side, he breached the wall of the sacred temple, and I have found the treasure and made it my own. So also with the lamb: the Jews sacrificed the victim and I have been saved by it.

"There flowed from his side water and blood". Beloved, do not pass over this mystery without thought; it has yet another hidden meaning, which I will explain to you.

I said that water and blood symbolized baptism and the holy Eucharist. From these two sacraments the Church is born: from baptism, "the cleansing water that gives rebirth and renewal through the Holy Spirit", and from the holy Eucharist.

Since the symbols of baptism and the Eucharist flowed from his side, it was from his side that Christ fashioned the Church, as he had fashioned Eve from the side of Adam. Moses gives a hint of this when he tells the story of the first man and makes him exclaim: "Bone from my bones and flesh from my flesh!"

As God then took a rib from Adam's side to fashion a woman, so Christ has given us blood and water from his side to fashion the Church. God took the rib when Adam was in a deep sleep, and in the same way Christ gave us the blood and the water after his own death.

Do you understand, then, how Christ has united his bride to himself and what food he gives us all to eat? By one and the same food we are both brought into being and nourished.

As a woman nourishes her child with her own blood and milk, so does Christ unceasingly nourish with his own blood those to whom he himself has given life.

- St. John Chrysostom (Cat. 3, 13-19; SC 50, 174-177)"

*"This is the day which
the Lord has made; let us
rejoice and be glad in it."*

Community Link Continues Ministering to Those in Need

Community Link, now in its ninth year of existence, is a group of Annunciation parishioners who meet once a month on a drop-in basis to visit members of our community who may be confined due to illness or age. We travel to hospitals, nursing homes and private residences. Many of those we visit no longer have family or friends to support them and just need to know there is someone who cares. A short visit or phone call can lift one's spirits a great deal. If anyone in the community knows of any other home bound parishioners to add to our list or would like to join us for a visit, please contact, please contact Pauline Oetzel at poetzel@hotmail.com. Upcoming Community Link dates are: July 19, August 16, and September 20 at 9 am.

*"On the eighth day, he sent
the people away and blessed
them. Each one went to his tent,
joyful and with a good heart for
all the good the Lord did..."*

“The Church ‘never grows old, but is always young.’ It is an evergreen, ever-living Tree of grace and life, of joy and comfort. For the Holy Spirit – ‘the Treasury of Blessings and Giver of Life - comes and abides in us, and cleanses us from all impurity,’ and fills our life with meaning, love, faith and hope.”

- Fr. Alexander Schmemmann
